

## Altar Servers Wanted

We are looking for new servers to join this ministry for 2017!  
We welcome youth starting in grade 3 and up who have made their  
First Holy Communion. Training will be provided.

If Jesus came to your house for a meal, wouldn't you want to wait on His table?  
Why should we serve?

To serve one another is a duty of each and every Christian.  
To serve at the Altar is helping Father, your parish and above all God!

**Will You Serve? We Need You!**
