## Prayer for the Rebuilding of St. Peter Church:

Heavenly Father,  
We ask your blessings on all those involved in  
our church rebuilding.

We ask you to guide the minds and the hands of  
by planners and workers and may they know  
they are doing Your work.

We ask your blessings on those who have made  
the rebuilding possible through their generous  
donations that their lives may be enriched.

We ask your blessings on the family of St. Peter  
that we may continue to flourish through the  
challenges we face as we rebuild and renew  
ourselves as a true and loving community.

May we listen to Jesus' words and act on them  
so that we will be like the wise man who built  
his house on rock and pray the psalm..

"Only goodness and love will pursue me all the  
days of my life. I will dwell in the house of the  
Lord for years to come."

Amen

Norma Thompson, St. Peter Church

**If you cannot attend Mass in person and attend  
on line or on tv, here is another variation of the  
Spiritual Communion prayer  
(often recited by Blessed Solanus Casey).**

Lord, please come to me in Spiritual Communion.  
Send your body and blood gushing through my  
veins. Send your love into my heart, my soul and  
my mind. Lift me up to your bosom and infuse  
me with your divine love. Amen

*Thank You*

# PETITION **Save Hyde. Save lives.**

## **Taxpayer dollars should NOT pay for abortion.**

The majority of Americans agree with this - both Democrats and Republicans. For 45 years, the Hyde amendment and similar laws have protected taxpayers from being forced to pay for elective abortion.

The Hyde amendment has been signed into law every year since 1976, whether the Congress and the White House were led by Republicans or Democrats.

The Hyde Amendment has saved nearly 2.5 million babies and mothers in difficult circumstances from the tragedy of abortion.

An overwhelming majority of Americans, including low-income women and women of color who are most impacted by it, support the Hyde Amendment and laws that prevent government-funded abortion.

We urge you, in the strongest possible terms, to ensure that the Hyde Amendment and all similar life-saving appropriations riders remain in place during the 117th Congress and beyond.

Do not force Americans to subsidize the taking of innocent life. Oppose any bill, including any appropriations bill, that expands taxpayer funding of abortion.

**To Sign the petition, go to [usc.cb.org](https://usc.cb.org)**

### ***THANK YOU FOR TAKING ACTION!***

#### **Governor DeSantis Vetoes Public Funding of Abortifacients**

On June 2, 2021, Governor DeSantis approved a record \$100 billion budget for the fiscal year beginning July 1, 2021. Before signing the budget, the governor used his line-item veto authority to cut \$1.5 billion from the spending plan approved by the legislature.

We are happy to report that included in his line-item vetoes was a new \$2 million recurring appropriation for family planning providers, such as Planned Parenthood, to promote and provide Hormonal Long-acting Reversible Contraception (HLARC). HLARCs alter the uterine lining and create an inhospitable womb for implantation of newly-conceived life.

***We are grateful for you and the thousands of Floridians who joined us in urging the governor to veto the HLARC appropriation, and we thank Governor DeSantis for listening and taking action!***
